

BA Accessories

At Total Protection we can offer a wide range of BA accessories and related equipment.

Cylinder Covers

Cylinder covers are manufactured from Nomex III or heavy duty, lacquered finish, flame retardant PVC. Printed with 207 or 300 bar AIR.

- Individualised screen printing available
- Available with flame retardant Velcro fastening or zip closing
- Available in Black, Grey, Blue and Red
- BS 5438 parts 2a & 2b

Options include:

Flame retardant carry handle
Reflex-Glo tape
Clear PVC window
Reversible Full or M.T label with Velcro fastening

Face Mask Bags

Designed to protect BA face masks when not in use.

- Velcro or drawstring closing
- Available with soft poly-cotton lining

Personal Line Pouches

Personal Line pouches are fitted with "TENAX" fasteners and have leather reinforcement patches on the inside and outside of the rear panel. Available in Nomex or fire resistant PVC with Velcro or lift the dot fastening.

Personal Lines

6 metre Personal Lines in 4mm pre-stretched polyester cord or 3.5mm Hi-Vis Kevlar cord c/w aluminium or stainless steel Karabiner.

Log Book Pouch

BA Log book pouch in PVC with clear window and plastic hook – various colours.

4 Cylinder Valise

This extremely strong valise is designed to accommodate four carbon composite cylinders and is lined throughout with a heavy duty cotton canvas. Each cylinder is secured in position with a cord-lock. The unit has been designed so that it can be carried by one or two firefighters. It can also be locked safely into position in the rear of vehicles by using the webbing loops located at each corner.
