

Sabre Cenpaq

Designed for ease of donning, the Cenpaq range is used where speed of response is the key issue. Cenpaq's one sized waistcoat allows it to be used where full sized SCBA may be too bulky. Cenpaq is suitable for snatch rescue, intervention and rescue applications.

Key Features

- Proven, effective pneumatic system with first breath mechanism for use with PanaSeal/PanaVisor or Vision 3 facemasks
- Available in Anti-Static Material
- Available in durations of 15, 20 and 30 minutes
- Airline option available with CEN, Foster and Hansen type couplings
- CE marked to EN137 & EN139
