

## MSA MicroMaXX

The new short duration SCBA MicroMaXX is amazingly flexible, and thus convenient for all sorts of activities associated with short duration work and rescue. Made up with a compact reducer, multi-position harness, a lightweight 3 litre cylinder giving a service time of 18 minutes and face mask the MicroMaXX is always ready for use.

### Key Features

- Flexibility to suit working and rescue requirements
- Lightweight for optimal comfort in all applications
- Ease of use for fast and simple donning
- Reliable and robust

**Specialists in Safety: Breathing Apparatus**
