

Britannia Quick Fit FRS Rescue Bolero Harness

The FRS Quick Fit Bolero is manufactured from quality polyester webbing which exceeds the minimum strength requirement of European Standards. It is designed with comfort and ease of donning in mind. The two point fall arrest harness, with 3 bar slide and rectangular link chest connection, has adjustable length leg loops and shoulder straps with a roller buckle to ensure the straps are positioned correctly. Includes an overhead rescue attachment and fitted with a Nyplax waistcoat. The chest strap on this harness is a full chest strap going all the way around the chest to provide an exceptionally secure configuration which increases the distribution of load when using the front "D" ring
