

MSA ALTAIR PRO

The new MSA ALTAIR PRO is a reliable high performance single gas detector with a choice of oxygen or toxic sensors. ALTAIR PRO features an extra thick rubberised housing which provides resistance to water and dust ingress. With the rugged suspension clip fitted as standard the ALTAIR PRO can be securely attached to clothing. A highly comprehensive datalogging facility is standard on ALTAIR PRO. Via the built in Infra-Red link data is transferred to a PC where information can be assessed quickly and easily.

Features

- 1 button operation
- Bump check confirmation [lasts 24 hours]
- Configurable alarm set points
