

Protector Style 600 Safety Helmet

The Protector Style 600 safety helmet has been developed using the latest in industrial design techniques. The Style 600 has a unique combination of safety, comfort and styling features, to ensure acceptance by users in the most arduous head protection environments. The helmet design incorporates multiple branding positions and utilises durable ABS plastic to meet companies' requirements for high impact corporate identity. The Style 600 helmet range is available in a choice of ventilation options and with the innovative HXSPEC retractable spectacle to ensure eye protection is always available to the user.
