

Disposable Masks

A full range of disposable masks for both professional and DIY use. The masks cover the levels FFP1V to FFP3V to enable safe work for various applications. Affinity true to its name: conforming to the face automatically. The Affinity FR and Affinity Plus range provides every user with a compatible respirator according to European standards.

Affinity Plus

- Lightweight and comfortable
- Excellent snug fit for added safety
- Improved optional exhalation valve
- Colour coding for quick identification
- One-size-fits-all for easy selection and less inventory
- Delivered in a dispenser box of 10

Affinity Plus is a reliable, effective and ergonomic cup shape protection in **FFP1** and **FFP2** (EN 149:2001) classes.

Affinity FR

- Low profile
- Anthropological vertical design
- Pre-shaped nose clip
- Smooth material for a comfortable fit
- Delivered in dispenser box of 15

The Affinity FR valved folded respirators are available in **FFP1**, **FFP2** and **FFP3**, easily identified with their colour coding. Easy to be carried in a pocket, individually wrapped, they are made of a highly comfortable material.
