

City & Guilds Level 3 Qualification in Top Man for High Risk Confined Spaces: Water (6150-04)

Duration 3 Days

Introduction

Suitable for persons responsible for the supervision of entrants at confined spaces where work has been assessed and classified as NC2, NC3 or NC4 (Medium or High Risk) under the Water UK scheme and who require pre-assessment training to prepare them for assessment in City & Guilds 6150-04

Course Content

Along with gaining a sound understanding of the Confined Space Regulations 1997, learners will be able to:

- Interpret the Water UK Confined Spaces classification scheme
- Permit entry according to risk assessment methods
- Risk assess residual hazards
- Prepare to act as a safety attendant for teams working in confined spaces
- Oversee safe entry and exit to confined spaces
- Monitor work team to ensure procedures are followed
- Establish and maintain a safety zone
- Deal with emergencies
- Assemble, brief and deploy staff
- Determine and establish an adequate means of onsite and offsite communications
- Establish control systems required by the risk assessment
- Control all work within the agreed risk assessment method
- Close down the safety zone and the confined space
- React positively in an emergency situation
- Apply relevant water industry standards for working in high risk confined spaces

Training Information

The course comprises two days training and one day of assessment. Candidates should bring their own safety footwear, waterproof clothing, hard hat and working gloves for the practical exercises.

Course content will include written tasks, hands-on demonstrations and practical exercises, supplemented with classroom based tutorials and pre and post course assessments.

Course content updated September 2010.

Additional Information

Delegates attending this course should be physically and mentally fit to withstand the rigours of training.

Training Certification

City & Guilds question papers and practical assessment observation checklists will be submitted upon assessment completion and certificates will be issued subject to final verification.
